# A Message from the 2025 PWX Management Committee

## **“PWX in the Most Beautiful City”**

The Chicago Metro Chapter of APWA has always embraced the philosophy of the late, great Daniel Burnham to “Make no little plans they have no magic to stir man’s blood ... ” As a result, we’ve earned a reputation as one of the largest and most active chapters in the association.

This reputation has served us well. In 2013, we were honored to host the forerunner to PWX, the APWA International Congress and Exposition. We are delighted to tell you that Chicago will host this incredible event for the fifth time, as our chapter has once again been selected to host PWX 2025, August 17 - 20, 2025, at McCormick Place.

We have a strong management team in place and our vision for PWX is clear, but a lot needs to be done to execute our plan. Our budget requires us to raise about **\$600,000**. A large portion of the budget will go toward the Get Acquainted Party. The Chapter and its five branches have already committed to raise **\$250,000**.

This is where you come in. Individuals and organizations that are strong supporters of the Chicago Metro Chapter and APWA can be recognized during PWX through various sponsorships and donations. The information in this brochure explains the types and levels of recognition available. Pricing has been structured to make supporting this event appealing to everyone, including individuals and smaller organizations.

Thank you for your continued support of the Chicago Metro Chapter and your help in making PWX 2025 a “Chicago-Style Success.”

Sincerely,

2025 PWX Management Committee

Branding one of these great occasions with your organization's name shows delegates just how important your organization is in the Public Works arena.

Event sponsorships range widely in price, opportunity and variety, giving you plenty of choices.
